**Hood, sink, faucet,
cabinets, cabinet pulls,
and island:** Bulthaup

Refrigerator and

microwave: KitchenAid

Lighting: Sistemalux

Materials

Wall paint: Cloud White
by Benjamin Moore

In Toronto, designer Donald Chong squeezed a 12-by-62-foot home onto a sliver of a lot. Using one-and-a-half-height ceilings, he managed to create airy spaces, such as the kitchen, which connects the raised living and dining area on one side with the sunken outdoor courtyard on the other.
